

National Institute of Standards and Technology (hereafter in this part [see Short Title of 1988 Amendment note set out under section 271 of this title] referred to as the 'Institute') shall be submitted by the Director of the Institute (hereafter in this part referred to as the 'Director') after consultation with the Visiting Committee on Advanced Technology, to the Committee on Science, Space, and Technology of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate. Such plan shall—

“(A) establish the major operating units of the Institute;

“(B) assign each of the activities listed in section 2(c) of the Act of March 3, 1901 [15 U.S.C. 272(c)], and all other functions and activities of the Institute, to at least one of the major operating units established under subparagraph (A);

“(C) provide details of a 2-year program for the Institute, including the Advanced Technology Program;

“(D) provide details regarding how the Institute will expand and fund the Inventions program in accordance with section 27 of the Act of March 3, 1901 [15 U.S.C. 278m]; and

“(E) make no changes in the Center for Building Technology or the Center for Fire Research.

“(2) The Director may revise the organization plan. Any revision of the organization plan submitted under paragraph (1) shall be submitted to the appropriate committees of the House of Representatives and the Senate at least 60 days before the effective date of such revision.

“(3) Until the effective date of the organization plan, the major operating units of the Institute shall be the major operating units of the National Bureau of Standards that were in existence on the date of the enactment of this Act [Aug. 23, 1988] and the Advanced Technology Program.”

NATIONAL INSTITUTE OF STANDARDS AND TECHNOLOGY; SMALL BUSINESS PLAN

Section 5163(b) of Pub. L. 100-418 provided that: “The Director of the National Institute of Standards and Technology shall prepare a plan detailing the manner in which the Institute will make small businesses more aware of the Institute’s activities and research, and the manner in which the Institute will seek to increase the application by small businesses of the Institute’s research, particularly in manufacturing. The plan shall be submitted to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Science, Space, and Technology of the House of Representatives not later than 120 days after the date of the enactment of this Act [Aug. 23, 1988].”
